## MYSORE STATE LIFE INSURANCE COMMITTEE.

*Circular Notification No.* 44, *dated* 27*th November* 1918.

*To—The Deputy Commissioners, Treasury Department of all Districts and the Heads of all Offices in Mysore.*

It is hereby notified for information that Policies in the Official Branch of the Mysore State Life Insurance Office will be issued in future after payment of the first premium in cash and not before, as has been the practice hitherto. The Treasuries, which receive the first premium will grant separate receipts.

Whenever subsequent premium, which should, under Rules 24 and 25 of the same Branch, be ordinarily recovered from the pay or leave allowances of the Insured, is paid in cash, the Treasuries will grant separate receipts therefor.

In regard to premiums deducted from the pay or leave allowance bills, there is documentary evidence and proof of payment in the books of the Insurance Office.

It is therefore considered unnecessary to require Treasuries and Pay Disbursing Officers to acknowledge payments of premium in separate premium receipt books left in their possession by the insured persons and it serves no useful purpose. It has accordingly been decided to discontinue the issue of premium receipt books with the policies in the Official Branch from 1st January 1919.

From the above date, the existing practice of acknowledging payments of premium in receipt books either by the Comptroller or the Treasury Officer or the Heads of Offices will be discontinued. This may be notified to all the insured persons.
